## IMPORTANT CHANGE TO OUR REGULATIONS

Please note the Bowling Club Board have approved the following change to our Regulations.

Clause 7.3.3 now reads:

"The Chair and members of the Selection Committee who have been appointed and ratified by a general meeting shall carry out the following tasks;

- a) Select teams representing the Club in Pennants, Pennant trials and any other Zone/State competitions which require official teams representing the Club. ***The cancellation of any Pennants, Pennant trials or Zone/State competitions is the Selectors or the Boards responsibility solely.*** " ....

This change has been made to further clarify the role of the selectors following a very frustrating Pennants season.

## PENNANTS UPDATE

With 2 rounds to go our teams are placed as follows:

Grade 2: Currently 4th  
Grade 5: Finished 2nd  
Grade 6/2: Currently 1st  
Grade 6/3: Currently 4th  
Grade 7/3: Currently 6th

Congratulations to our Selectors who despite some very trying times have been able to field teams every week and therefore avoid forfeits.

**NO SMOKING POLICY**

Our Club has a no smoking policy which limits smoking to the designated areas only.

Smoking is only permitted in the outdoor poker machine area or outside the boundaries of the club.

Several members have complained about passive smoking and so we ask our very few smokers to respect the rights of other members.
