Presidents Message

Hello Members

I trust everyone is keeping warm as the temperatures take a dive, especially in the morning

Just a few updates on some points of interest. Firstly, there is no further update on the proposal of Club Austral being involved with the Camden Sports Club. In recent conversations, it could be several months before any written proposals are formalised. I will continue to meet with Camden Sport Club, representing the interest of Camden Rams and keep you all updated as a specific information becomes available.

I am pleased to report that a number of our key sponsors have indicated their commitment to sponsor the club in the new financial year. Just this week, we have had MRE Real Estate, Michelle Rolfe Funeral Services, TRN and Camden Mitre 10 contribute valuable financial resources to the club. We are also expecting others to also commit in the coming weeks as we continue to explore opportunities for partnerships and financial security.

While on financial matters, can I remind members that the 2026 - 2027 membership fee of \$130 is due. If these could be paid by the end of June, this will enable us to meet all of the Bowls Australia, Bowls NSW and Regional fees payable early in the new financial year. I thank the many members who paid their fees yesterday while at bowls. You can pay at any of the upcoming bowls events on Tuesday, Thursday or Saturday.

The Board of the CMBC, have been monitoring the 200 club for the last twelve months, in particular the number of tickets selling each month. With falling sales and continued workload of members such as Rhonda, the Board are making June the final 200 club draw in its "current form". Please continue to support the June draw. In July, the proposal is to have a new competition with 120 tickets at \$20 each, and prizes of \$1,600 on offer. Again, more

information to follow and for anyone with a prepaid ticket, your entry will transfer to the new draw. This fund-raiser is integral to our financial planning of providing first class greens.

Unification processes continue on track, and an important component is a motion to recognise Camden Bowling Club and the ABN by the Department of Fair Trading. Secretary Ken has put out a notice indicating that on Saturday 20th June, at 4pm, a short meeting will be held to adopt this requirement. I look forward to your continued support of the process. Vice President Matt has indicated the new uniform will enter the "try on and order stage" in the coming weeks. More information to follow but this is an exciting chapter of the Camden Bowling Club. There is an opportunity to buy some of our old uniform stock at reduced prices. See Steve Laker if interested.

Keep enjoying your bowls and the friendship at Camden Rams

Cheers

Mark

Sports Medicine Australia Facts About Lawn Bowls

Facts on lawn bowls injuries

Lawn bowls is a popular form of physical and social activity in Australia. There are currently in excess of 250,000 registered lawn bowls members in Australia. However, the increase in popularity of social bowls has seen the number of participants increase to over 500,000 nationwide. The majority of players are male aged over 55 years of age. Lawn bowls is a great way for people to develop their skills, coordination and fitness. It is a precision sport which involves players trying to roll their bowl closest to the white ball or yellow ball (called a jack or kitty). Despite the sport being non-contact, injuries can and do occur.
