Some Etiquette Information Spelt Out

The following video has some relevant information about some of the things you should and shouldn't do during a game of bowls. He's not the best narrator but he gets the point across.

Warning. A bit of swearing included. Just click on the picture. As with all YouTube videos you may get an add prior to it starting.

Editor's Note: I have been playing bowls a long time and cheering good or bad luck has never been acceptable in the game as far as I'm concerned. Your thoughts....
