At the latest Board meeting there was discussion regarding the current dress code for bowlers at Camden. It was ratified by the Board that the current dress code shall be maintained. So, while we don't expect you to turn up in a blazer and tie let's show some pride in our club and wear the appropriate clothing.

For a detailed run down of the Club's Dress Code, refer to our induction document, Paragraph 'f'. The only addition to the information in the induction document is the approval of BA approved thongs.

Can you name our three members (maybe not all current) who modelled for the dress code picture above? We'll take two out of three. There's also something not right in the picture. A free beer for the first correct answers. Contact one of our editors, Michael or Steve, and we'll pick a winner.
