Saturday Pennant Trials

On behalf of the selectors, I would like to thank everyone who was involved in yesterday's pennant trial both the home games and Picton.

I would like to thank some of the people who assisted us in having this day run smoothly and successfully, Kristina Hotson for not only having to play but putting her hand up to be the manager for the day at Picton. At home we had Jake Henderson, Trevor Firth, Bruce King and Steve Laker helping with setting up collecting fees and organising the games.

The day in my opinion was successful in the sense it opened up some positional changes which mostly were successful and the most pleasing thing that I personally got back was all the positive feedback from not only the skips but all the players i spoke to.

I feel that the selectors are going to have some tough decisions to make for the first-round pennants game on the 28th of February. With saying this I hope every player gives the selectors their chance to make all Camden's sides both competitive and compatible as we have 7 grades this season we have to select for.

May I also take this opportunity to say what an awesome result we got from our two 7's teams yesterday, I did not want to announce the results as they were so one sided for us.

The other trial was a good hit out for our 5's and 6's and the 6's at Picton were very competitive. Unfortunately, we had two of our 2's unavailable but the 3's against each other and the Everingham 'V's Pinko games also sprung up a few surprises which we will take to the selection

table.

Thanks again to everyone that either played or assisted in helping to run the day the selectors appreciated everyone's support and time.

I would like to ask if anyone is interested in being a manager for this upcoming season to contact me or one of the selectors as we have only two at the moment for 7 teams. Cheers Go the Rams
