Razorback Shield Report

Report from Rick Staats, Chairman of Selectors

The selectors would like to thank all bowlers who were involved and participated in the Razorback game against Picton.

What a wonderful night was had by everyone, and we had to come from behind to win the Trophy against some very strong Picton teams. I would like to thank L Mahoney for her support and time to be the manager for this game as this position is vital for all games of pennants.

A special mention needs to go out to M Donehue's rink (Henderson, Williams, Hotson, Donehue) for their performance and eventual score which assisted us winning the master board. All the teams played in good spirits and done their best to ensure Camden came out on top with a great win.

We now move forward to our pennant season with the first-round teams to be announced this week so please ensure you notify the selectors on your availability as soon as possible and if any questions on team selections ask the selectors for a sit down to discuss and answer your concerns.

From me I would like to thank you all for your support and feedback during the trial game, Razorback and Durrington Shield and wish you all the best in the upcoming season of bowls, Go the Rams.

2026 Pennant Season Update:

If you would like to help the club, we currently have only three managers to cover seven teams. An additional four team managers are required. If you are Interested in assisting the club with the upcoming Pennant Season, please contact one of the selectors.

Trivia Night

Our fund-raising trivia night held on Saturday night can only be described as a huge success. Well-done to all those involved in organizing and all those that supported and attended. Close to 170 people.

A full report from our President, Mark, will be in next week's newsletter.

Prostate Cancer Donation

A great effort by our Club and Members raising \$2000 through our charity night and all those wrong biases for prostate cancer this year. Well done Camden!!
