A Word From The President

Good afternoon Members

Thanks Steve and Michael for the opportunity to include some 'words from the Pres' in this week's edition. Great

What a night the Trivia night was on Saturday 7th Feb. A remarkable achievement by the club to have 172 people fund-raising for Camp Quality and Camden Bowls Club. A big call out to all the sponsors and local businesses who made this night flow – Matt and Annie Jones, Lincon McLaren and not forgetting Mattia for the date. Overall, an outstanding amount of \$8200 was raised. The other big question was – when is the next one? T

Pennants Teams are out and I am so proud to see we have 7 teams competing across the grades for the upcoming season. All players making yourself available and to the selectors on taking on the difficult task of putting the teams together. I believe it is important to come together to celebrate the upcoming Pennants season and invite you to attend a 'L' on 26th February at 4:30pm. I have invited former World and Australian Champion, Steve Glasson to be our guest and I am sure you will enjoy his words of wisdom and encouragement.

This week, I have a meeting with the Camden Mayor and key council staff to discuss further the issues of lights and the Board making themselves available to attend, with a united view that will highlight the need for increased funding on these and other issues in coming newsletters.

A date for your calendars is Sunday 15th March, when the club will hold a very important meeting – The Half-yearly meeting. Items will include an update on the unification process. As we reach the end of the two-year trial, I will be calling a meeting with a view to progress the work undertaken by the Executive Board. Linked to Unification is uniforms, with Vice President's Uniform Survey and the proposed new uniform options. Other items will also include the schedule of fees for the coming year. I seek your attendance. With Unification discussions, members of the CWBC will be invited to attend.

Best wishes to all players currently playing in Regional or Club Championships. The opportunity to extend your season.

Finally, well done to the Greens team. The B Green has been a pleasure to bowl on, and Todd is working tirelessly to take care when stepping on and off the greens. Green A looks a treat, and we all await that opportunity in the coming season.

Cheers Mark, President CMBC
