16th August 2026

Issue: 30

Camden Bowling Club

On Sunday the 16th of August 2026, the members of the Camden Men's Bowling Club and the members of the Camden Woman's Club unified as one Club and began business as The Camden Bowling Club. A momentous day in the great history of both our clubs.

On behalf of all members, we would like to extend our sincere congratulations and best wishes to the incoming Board and Committees as they take on the exciting responsibility of bringing the two clubs together as one. This is a significant milestone and presents a wonderful opportunity to build on the strengths, traditions and achievements of both clubs. By working together with a shared vision, the new Board and Committees can create opportunities for growth, improve the club experience and ensure that the needs and interests of all members are recognized. We look forward to seeing the positive direction the new Board and Committees take and wish them every success as they work towards building a stronger, more united and successful club for the benefit of all members, both now and into the future.

Murmurs on the Green

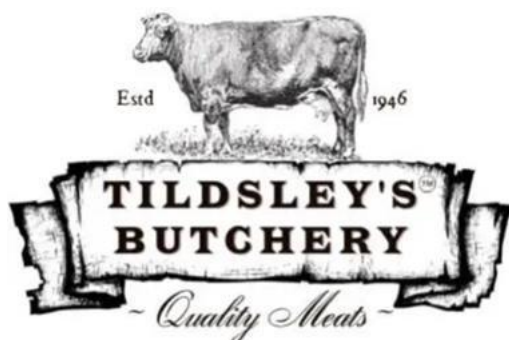

Should the pre-game 'hug' become part of our pre-game routine?

It seems to be more popular at different levels of the game. Not only in bowls but with other sports as well. Does it help? Does it show a stronger club culture? Or is it a bit over the top?

We'd love to get your feedback.
