From the President

Wishing everyone a relaxing Sunday, even if your footy team is struggling in the weekend games.

I am writing to you all this week with a huge vote of thanks.

Firstly, thank you to the 92 members who attended the Annual General Meeting. It was an amazing turn out to receive reports and welcome in the new Board and committee members that will lead Camden Bowling Club into the future. The Board will hold their first meeting on Tuesday 1st September and if there are any issues, please contact a Board member so these are added to the agenda or discussion. Since the AGM the Match committee has met and have voted Michael Ryles as Chairperson of the Match. The Selectors meet this week to also elect a chairperson. Ben Cummins has taken up the role of Chairman of Umpires and will coordinate officials for all our games as required. Thanks Ben.

This week has also seen great numbers attend bowls at each of the weekly competitions. This is such a pleasing aspect of our club that the opportunities to play a game of bowls in great company on wonderful greens.

On Friday evening 20 bowlers took to the greens in our inaugural Crack a Jack with the opportunity to score points every time the Jack had a touch. Not only a great evening of bowls,

but the score cards indicate over 30 touches. But the real benefit was to Motor Neuron Disease (MIND) with over \$700 raised. What a sensational and generous effort by our bowlers.

Next Sunday, we have the Winter Triples, and the tournament is fully booked out. Thanks to our sponsor Tyrepower Camden for providing some prizemoney. There are also other competitions on the noticeboard coming up so add your name if interested.

Following her success at the Victoria v NSW Senior Bowls Test series, Heidi Finnerty has been selected to go to Western Australia on October as part of the NSW team. Well done on behalf of all at Camden.

New secretary, Jake Henderson is working with Ken Morrell to take up all the duties of the role. One of the communication roles is social media and Jake is working to enhance the Facebook profile while also protecting the privacy information of members. A huge task which Jake is taking on.

Finally, it's great to have CPE Tree Services lock in their sponsorship for another twelve months. Thank you on behalf of all members.

Have a great week and continue to enjoy your bowls.

Mark

President - Camden Bowling Club

Welcome to our Ladies

With unification we now have a combined membership data base. The Ladies will now be linked to the newsletter and other relevant club information. We look forward to adding news and events relevant to the Ladies and we hope they will be happy with being kept up to date with other happenings around the club.

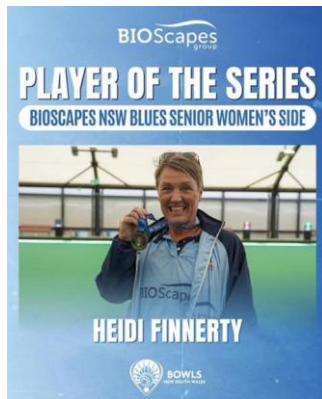

Heidi Finnerty Named Player of the Series

Congratulations to our very own Heidi Finnerty, who was named Player of the Series for the NSW Blues Senior Women's side following their recent test series against Victoria.

Heidi produced an outstanding series of bowls, demonstrating consistency, accuracy and composure under pressure. Her performances played an important part in the NSW team's success and earned her the well-deserved recognition as the series' standout player.

A fantastic achievement for Heidi and a wonderful reward for her hard work and commitment to the sport.

Congratulations, Heidi — a terrific achievement and a great honour to wear the NSW Blues colours!

Bowlslink App and Login In

We have done this in earlier editions but for our new readers the below information is how to get onto Bowlslink. This will be your portal for all things competition and other information related to our club and beyond. It will also be the preferred method of entry into our competitions going forward.

It also has your membership details which can be used as proof of you being a member of our club, region, State and Bowls Australis. So please give it a go.

So here we go....

If you don't have login details (password), you will first need to go to www.bowlslink.com.au. You will be taken to a login screen. Click on the login button. Enter your NIN number (this can be found in the new diary) or your email address. Then click on 'Forgot Password'. Follow the prompts. This will send a reset link to your email address where you can set a new password. Once this is done, download the Bowlslink app from your phone's play store. You should then be able to log into the app and start using it. Have a browse around and write down your questions if any. Let us know via email - rampagebowlers@gmail.com, and we'll answer them. Most questions are being asked by others so please don't think there are any silly questions. We'll answer them in the next issue.

If you are having any problems please ask Michael Ryles, Steve Laker or Jake Henderson.

Our Facebook Pages

Most would have heard our Board has moved to working towards re-organizing our Facebook pages. We now have two FB sites.

Below are screen shots of the two sites.

Camden Bowling Club is for the club to post communications to the wider community. Members can view, comment and like but cannot make posts on the pages.

Camden Bowling Club (Members) is for current activities like wishing happy birthdays, sharing photos etc. as is the case now.

While there is a bit of pushback on using Facebook it is the easiest way for us to get a quick message out to members to inform them of current issues. Not the least being green closures and short notice pennant information for example. So please link to our pages to keep informed.

If you have any questions, please use the feedback email, rampagebowlers@gmail.com, and your questions will be answered.

Motor Nerone Disease

As mentioned by Mark earlier, Friday night saw a good turnout to raise money to help find a cure.

A shout out to these members and those that made a donation on the night, showing a great community spirit in helping others.
