

13th September 2026

Issue: 34

Over 40's Pairs Regional Winners

Sensational effort by two of our best today. Lincon McLaren and Gary Clark are off to the Over 40 Pairs State Final.

Well done, Gents. The club will be right behind you when you travel north to Yamba to represent the club.

Entering a Competition on Bowlslink

This guide shows step-by-step how to enter Bowls NSW competitions using the BowlsLink app, including finding competitions in your state or region, selecting the event and your team position, and adding teammates by National ID or name. It walks through configuring and confirming team positions, accepting terms, and completing payment so you can register correctly and avoid common errors. Use it to speed up entry and ensure all required details are submitted.

Note: On the step where it clicks to My Region click on My Club.

Note 2: For club competitions we are not yet paying through Bowlslink so you don't have to worry about this step.

[Step by Step Guide To Entering Competitions on Bowlslink](#)

Weight Control Skills Training

At our recent Wednesday training sessions one of the issues that was clear to the coaches was the 'consistent' lack of weight control by those participating. Below is a simple training exercise that you can set up to practice weight control. This will also be a good skill to practice your line with the jack off centre line.

Give it a go. If you would like any assistance, please approach one of the club coaches to give you more help.

Position Focus: Lead, Second, Third & Skip

Game Application: weight control independent of line

1

Equipment:

- 1 Matt
- 2-4 Bowls
- 3 Targets (Jacks, Cones, TBA Targets)

2

How To:

- 1) Set up 3 targets at chosen length across the full width of the rink
- 2) No end target required

3

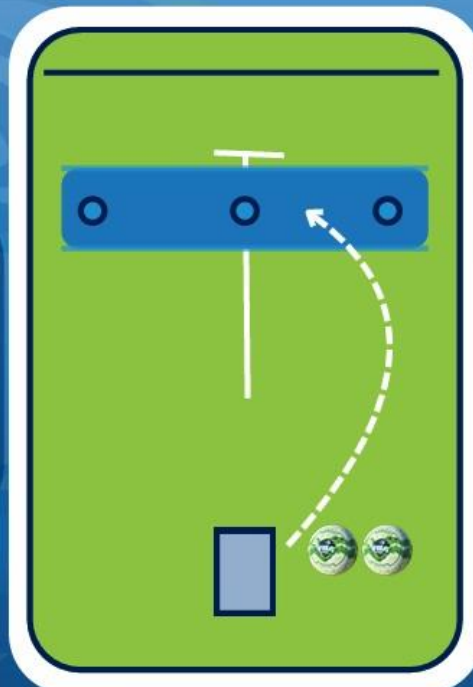

Scoring Options:

1 Point = Bowl finishes in "scoring zone"
"scoring zone" = 1 matt length before or after target weight line

4

Progression/Variations:

- Reduce/increase size of "scoring zone"
- Move scoring zone closer to/further away from matt position (further away = more difficult)

Coaching Focus

"One focus - achieving consistent weight"
