State Champion of Club Champions Qualifier

Congratulations to Mick Pinkerton (Pinko) winning through to the State C of C playoffs to be held in December.

With the semi-finals in the morning with two great games, the afternoon saw the winners, Pinko and Bob Hodge, play for the main prize. The game was worthy of a final with some outstanding bowls being played. Well done to both players and good luck to Pinko representing Camden in the State Finals.

More Info on the C of C Event

Congratulations and well done to Jensen Wilkinson and Mitch Storm on their selection and outstanding performances representing Nepean Highlanders this weekend. A fantastic achievement. You've done yourselves and our club proud. JENSON WILKINSON UNDER 19s MITCH STORM UNDER 25s

Help Shape Your Club's Culture

Every bowls club has its own personality. Some focus on social connection, others thrive on competition, and many offer a mix of both. A strong club makes room for different goals while giving members opportunities to grow.

If you'd like to see more enthusiasm, practice or player development at your club, start with what you can influence:

- **Lead by example:** Practice with purpose, show good sportsmanship and bring a positive attitude.

- **Invite don't pressure:** Ask a few members to join a short practice session or friendly skills challenge.
- **Welcome newer bowlers:** Learn their names, include them in games and offer encouragement.
- **Celebrate progress:** Recognize effort, improvement and volunteering alongside competition results.
- **Bring solutions:** Offer to help organize an activity rather than simply suggesting what the club should do.

You don't need a committee position to make a difference. Small, consistent actions can help build a club people enjoy belonging to.

Your challenge: Invite someone you don't usually bowl with to join you for a roll-up.
