

CAMDEN MENS BOWLING CLUB EXTENSION OF LOCKDOWN NEWSLETTER

1/08/2021

Well, the lockdown has been extended by FOUR weeks no less. Hopefully they will have Covid under control quickly and we can open up sooner but I am not holding my breath.

Bowls NSW have made some decisions in view of the extended lockdown:

- The State Reserve and Senior Fours due to be played at Ettalong has been cancelled.
- The State Pennant Finals scheduled to be played at Maitland has been postponed to 15/17 October still at Maitland
- The Champion of Club Champion Pairs and Singles will still be played on 22 to 26th November at South Tamworth
- State Rookies Pairs remains unchanged being played on 30/31st October and Singles on 13/14th November.
- They have also said that these dates are final no future changes will be made to them. Presume this means that in the event of future lockdowns the event affected will be cancelled rather than postponed.

The club AGM will be postponed until the first available Sunday which will be in September. All Executive positions have been filled and we will have to have a vote for Selectors but Match still needs volunteers. Give it some thought.

I previously asked if anyone has a bowling arm they are not using. There should be many around at the moment but the club is looking for a coaching aid. If you have a spare one in the garage gathering dust we could use it.

Nominations for Zone Executive Positions close at 5pm on Tuesday August 11th. If you are interested contact Col Crossingham on zone5match@gmail.com It can be very interesting and educational working with volunteers at a higher level.

It is very frustrating in lockdown just waiting to get back to: Winning Bowls.
