**SPONSOR:** DAY AND NIGHT CHEMIST 148 Argyle St. 02)4655 9370. Blood pressure testing, Cholesterol Screening, Diabetes, Sleep Apnoea.

**BOWLS ETIQUETTE:** When getting set up place your bowls on the green. Do not drop them. This can damage the green. Keep off the edges of the green and avoid stepping into the ditch at all times. This brings sand onto the green which is bad for the mower.

Take care of your green and the greenkeeper will take care of you by providing a top surface and neat and tidy surrounds.
