STATE ROOKIE FINALS:

It seems our rookies are excellent at being runners up. Guy Wilkins won one and lost one so went into the last game needing a win to go through to the finals but his opposition played the game of his life to take the section. Both players were trading shot for shot in a top-class match.

Both our pairs teams of Guy Wilkins and Garry Pauley with Corey Eason and Peter Williams won two games and only lost one to both come second in their sections. Well done to all players. They were magnificent representatives of our club. Thanks to all the members who went along to support.

BOWLS LAW: To decide possession of the mat in a Championship game the leads roll a bowl and call "Big or Little sides". The winner places the mat and rolls the jack when his skipper says that according to the rules the decision must be by tossing a coin not a rolled bowl. Is this correct?

Answer: Yes. Under law 5.2.1 a coin must be used to decide possession of the mat however as the jack has been rolled under Law 5.3.1 the game has started so should continue.
