BOWLS LAW: The green is alive with players in a mixed competition when a duck alights on the green. One of the lady players chases the duck encouraging it to fly off but it waddles across several rinks. The lady follows trying to get the bird to depart and in doing so her foot hits a bowl rolling towards the jack on another rink. The skip of Team A declares the bowl dead. The skip of Team B wants it to be replayed. Who is correct?

Answer: The skip of Team B. The lady is a neutral person and under law 37.3.1.1 the bowl is replayed.
