BOWLS LAW: A player delivers another player's bowl which touches the jack. What should happen?

If a player plays another player's bowl instead of their own, the other player's bowl must be replaced with the player's own bowl. If it has touched the jack the replaced bowl must be marked as a toucher. Laws 29.2

MATCH COMMITTEE

The Graded Fours competition was introduced this year and was very popular with our members.

At the 2022 half yearly meeting there was strong

Opinion that it should be introduced as a regular calendar event.

The success of event was the round robin format and the great number of members that entered and will only succeed if this continues.

It is hard to finalise a draw without knowing the number of teams entering.

It will be ROUND ROBIN and the number of teams and sections will depend on how many teams enter.

There will be a Final

Semi-Final hopefully again depending on number of entries and number of rounds that can be played.
