BOWLS LAW: The skipper of team A plays into a tight head and moves the jack. His third approaches the head to discern if he has obtained the shot or not when the third of team B objects. Team A third claims he is allowed to 'have a look'. Is he correct?

Answer: No. Once Team A bowl comes to rest possession of the rink passes to team B and all team A players must keep behind the jack and away from the head. Law 12.1.2.2
