ZONE 5 CALENDAR FOR 2021

Members, you will have noticed that the zone intends playing the Pennants in the middle of winter next year, after they moved things around, this went down like a lead balloon at the last meeting of the clubs, who didn't like the change at all.

Hopefully, the zone will do the right thing and have this changed in consultation with Bowls NSW.

Zone draw is now out. If you have not received an email contact your skipper

as it was his email on the entry. If you are following the link sent out by Col Crossingham

and cannot find your name contact Ken Morrell for help.

Please Note: Memberships expire on July 31. You will be taken off the newsletter list if not financial.
