AGM is coming up in August and we are looking for a new Bowls Co-ordinator. Have a think about working for your club. It can be very rewarding.

Two Camden members were playing in the Australian Open this last week. In the singles Rob Patane lost his section by 1.6% with two wins and 6 points. Kevin Harris won his section with two wins, 6 points. He went on to win his first post sectional game 21/12 but went down to National and State player Aaron Wilson in the afternoon. Well done Kevin. An excellent representation from Camden.
Harris and Patane combined for the National Pairs competition and came fourth in their section.

BOWLS LAW: A bowl is played wide and hits the foot of a player on the adjacent rink as they change ends. It then comes back onto the rink and moves the jack. Does the jack stay where it has been moved to?

No. The jack must be replaced to its original position and the bowl replayed. If the thirds or skips cannot agree on the original position then the end is dead. Law 37.3.1.4
