Kerry Lowe dropped one in the ditch so was lucky to come second and Buggo and the now regular finalist Matt Jones shared third place. Losing semi-finalists were Ken Morrell and Rooster. BOWLS LAW: The lead of Team A throws the jack down by hand and then plays his first bowl with a bowling arm. The third of Team B claims it is a dead end and they have the jack as the opposition lead is playing with an arm but did not put the jack down with it. All shots must be played with the arm.

Answer: Under Bowls Australia Artificial Devices Policy 5.1.4 the use of an artificial device does not apply to the rolling of the Jack which can be rolled either by hand or bowlers arm.
