**BOWLS LAW:** Skip A plays the jack into the shallow ditch with his bowl a meter away. Skip B plays a spectacular bowl which stops on the edge of the ditch and leans over onto the jack. His third marks the bowl as a toucher. The third of skip A objects. Who is correct?

Answer: Under law 14.3 the third of skip A is correct. Once the jack is in the ditch there can be no more touchers. (Is the leaning bowl still the shot?)
