**BOWLS ETIQUETTE:** Teams are playing a championship when a light rain begins to fall. The Skipper of team A tells his team to take shelter but the skipper of Team B disagrees as the rain is only sprinkling and will soon stop. He tells his team to keep playing. What happens?

**Answer:** Under Law 33.1 both teams must stay on the green until both skips agree to leave or the umpire calls them off. Then only for 10 minutes and the end must be re-started.
