**BOWLS ETIQUETTE:** Always greet your opponent with a handshake and friendly smile. If leading roll his bowl out to where it is easy to pick up. This helps keep the game flowing and is good sportsmanship.

Do not show emotion when a lucky which goes your way. Bad luck gets shared around. Acknowledge good bowls by both teams.

Don't hold the game up by having to look for your bowl. Always have it in your hand when the previous bowl comes to rest.
