SPECIAL SUNDAY EDITION

Championship Fours:

The much delayed Championship Fours Final was a match worth waiting for. Before a sizable crowd the two teams battled over 20 ends to post 17 all going into the final end. Throughout this end the lead changed several times with John Bugden, Steve Finnerty, Mike Pinkerton and Steve Laker emerging victorious by one lonely shot – a resting toucher.

Bruce Turton, Chris Collins, Noel Mulley and Dan Beebar were worthy runners up. A game in which it was unkind to have one team come second.
