11.9. Graded at End of Sectional Play

- i. A player who has not been graded at the end of sectional play but has played a total (across all grades) of the minimum threshold number of matches applicable to any grade in which they played, shall be graded in the current season in the grade in which they have the greater number of matches (if equal, the lowest grade shall apply).
- ii. A player who has not played a total (across all grades) of the minimum threshold number of matches applicable to any grade in which they played shall retain their previous season grading.
